Pray Heed the Words of Their Royal Majesties

Good people of the Outlands hearken to the words of Bela and Claudia, by right of arms and grace and favor, King and Queen of these sovereign lands.

Our caravans have returned home to the mountains after a long journey east to Pennsic War. We would like to thank all of those Outlanders that made Our time at Pennsic so special. Everywhere We looked We saw the smiling faces of Outlanders helping out and having a grand time, all the while showing the Knowne World why the Outlands is the greatest Kingdom. Our warriors showed their honor and their ferocity on every field of battle; Our artisans, dancers, and musicians made Our good Cousins green with envy at the Outlands Hafta. To all of those who helped make the Outlands shine brighter than every other Kingdom, We give a hearty HUZAH!

Now that We are home in Our mountain Kingdom and the seasons are changing, it is time for Us to look towards the future of Our Kingdom. It is time once again to search for Our Heirs, those who would lead Our people after We are gone. To that end the Barony of Caerthe will be hosting Our Crown tournament. This wonderful event will also be the beginning of a new era in Caerthe as well as it will be the investiture of Lord Patric and Lady Mary of Blackthorn as the newest Coronet of Caerthe. We would like to thank Their Excellencies Kronos and Catherine for all of their hard work and care for the people and lands of Caerthe during their tenure as Coronet. We wish them well in all that they do in the future and We wish for many bountiful harvests and joy filled halls for the new Baron and Baroness as well. May Caerthe continue to shine in all that it does under their caring and watchful gaze.

We look forward to continued travel throughout these fair lands in the coming months as We begin to make preparations for War. Estrella War is fast approaching and We will soon travel to the lands of the Sun to ensure that Our time at Estrella will be as fun as it can be for all of Our subjects. We give Our thanks to the hard working members of the War Council who have done an amazing job making sure that there will be lots of fun fighting scenarios, archery shoots, rapier scenarios, and just all around good times for everyone to be had. This is yet another example of a group of people working hard so that everyone else can play and have a good time. We would ask all of Our populace to thank the members of the War Council and the autocrats and officers in your local groups for all that they do because without their hard work We would not have as much fun as We do.

In Service to the Stag and all who follow him,
We remain Your faithful Crown.

Kingdom Seneschal of the Outlands

Greetings to the great and glorious populace of the Outlands!

The banners of the Outlands fly high as the selection of Their Majesties' heirs fast approaches. Not only do we bear witness to the spectacle of Crown Tournament, but also to the elevation of the new Caerthen Coronet. And, to round off the day, Syr Giovanni will assume the responsibilities of Kingdom Seneschal.

The second weekend of October, the College of Blaiddwyn in al-Barran will be hosting Stagscon. While you've all heard this before (and will again!), this is your best opportunity to learn about the functions of this kingdom, and meet your fellow officers, building camaraderie and friendships that will serve to keep the Outlands strong.

As this will be my final letter as Kingdom Seneschal, I would be remiss if I did not thank all those who had helped me during the last two years. I have been truly blessed by the wonderful people that I have worked with, from the hard-working local seneschals to the incredible Kingdom officer corps. I thank you for your dedication to the Outlands and her people. To all the Crowns each of you made this job an adventure. Mistress Meenakshi—your consistent devotion to the SCA is encouraging to all. Baron Eliahu, you have been a true joy to work with and a wonderful person to know. THL Simon, I will miss you most of all—good luck in your future endeavors in your new home. Aindrea, Corbin, Balthazar, Adam, Roger, Hoegaarden, Bela and Kathryn— you've each been there for me as counselors, friends and mentors. You've given me the strength and support to do my job well, shoulders to cry on and the wise words I needed to hear. Lord Kieran, I could have never done this office with out you. It has been your support, friendship and assistance that has kept me going. To Conrad, my love, my touchstone—I promise I'll take a break. And finally, to the Outlands, thank you for giving me the opportunity to serve.

Amitie c'est le Roi,

Mistress Leah de Montgomerie of Lark Hall

Kingdom Minister of Children

Unto the great populace of the Outlands does Lady Jayne Barber send greetings.

The children and the adult volunteers at 20th Year had a wonderful time! Huzzah to our Landed Barons and Baronesses and the many volunteers and others who donated materials, gifts, their time and their talents! The children's service and particularly the service of our very young and very dedicated water bearers was greatly appreciated and noted by the Crown.

Our first meeting of the Outlands Youth Team was a success. Several local groups were represented at this meeting. We heard the concerns and the ideas of the children and the teens. The adults also got to share their wonderful ideas. There are some very motivated and dedicated volunteers and MoC's who now have a lot of new ideas to work on. We also heard proposals for an Outlands Page School and for the Caerthe Page Guild. There is also a new emphasis on serving our teens and finding out what they want and feel is important. Our meeting at 20th Year was just the beginning of many meetings to be held by Outlands Youth Team members.

All of this information and more is available in the files of the Outlands Youth Team yahoo website. This discussion list is open to anyone who cares about youth issues in the Outlands. Join the discussion group at <http://groups.yahoo.com/group/OutlandsYouthTeam/>

In service,

Kingdom Earl Marshall

From the Earl Marshal...

Another quarter has gone by and with it many events and much fighting. Outlandish, Glory, Stags Bloodbath and Outlands 20th Year have graced our Kingdom and we have had the chance to see our friends in Northshield at Quest for Camelot and Artemesia at Baronial Uprising. From Citadel to Plattefordham, there was something going on in the Kingdom this summer.

A couple of housekeeping announcements. Don Christian has taken over as the new Rapier Marshal for the kingdom. Many thanks to Don Charles who in addition to serving admirably, has stayed on as a deputy. Guess he just can't get enough, and he deserves many thanks for his service.

THL Larke has taken on the job of Archer General. Don Oengus has served as AG for the last 2 years and has continued to serve the archery community. I would again thank him for all his hard work.

Marshals, I know this is a busy time of year, but please remember to get your reports in promptly. Also, if you have not given me a head count of the fighters in your group, please include that with your next report.

War approaches, and Duke Olaf has been named General for the Outlands army. It is the time to prepare any armour bits that need it and decide if you can reasonably go to Estrella this year. It will be at a new site. More on War to come....

Sir Mavrikii, Outlands KEM

Kingdom Marshal of Fence

Unto the rapier populace of the Outlands, Greetings,

As the tourney season draws to a close we prepare for WAR!!!! The full command structure will be in place soon and will be posted it in October's OH. As soon as it is finalized I will communicate it through the lists. It is time to start your preparations, not least of which is making sure your authorizations are in order. If you are not authorized 30 days prior to the start of Estrella you will not be allowed to fight in the melees.

Also, there is a new Authorizing Marshal available for Dragonsspine, Ld Friedrich Wilhelmssohn.

On the status of experimental weapons:

Rapier Pikes - As of September 1, I will run them for an additional six months in experimental status. At the end of that time I will take one more month of commentary and make a final decision on their status on April 1, 2007.

Curved Blades - As of September 1, The experimental period is ended and three months of commentary are commenced. Please contact me with your opinions and experiences with these weapons.

The Earl Marshal and I still have to work out some details on Cut and Thrust before it can be put into effect.

In Service,

Don Christian St. Claire

Horns sound and drums roll, banners dance on the breeze, Chevaliers parade in armor shining and merchants call their wares. Mummers prance, jesters grin, laughter swells like the seas, Archers shoulder their quivers full and music fills the air. Juggler's entrance, food delights, excitement buzzes like the bees, Fencers flash their blades dazzling and little children stare.

Come one, come all, Gather for the opening of the greatest event of the fall days; Three Stags; Autumn Battle and Faire.

The Barony of Caerthe invites one and all to the exciting new event that will transport you to a medieval town fair, and challenge you to battles grand till you can fight no more.

September 1st through 4th (Labor Day weekend) 2006, At Casey Jones Park in Elizabeth Colorado, 4189 Highway 86, 80107. Please see web site for further details. <http://www.threestagsevent.com/>

Site opens at 12:00pm on Friday the 1st and closes 2:00pm on Monday the 4th. If you want to get there earlier contact the Park ranger for fees.

Shine up your helms, make your banners, and get your heraldic garb together! There will be a contest for the best heraldry display, for individuals and households, and a contest for the best display of Kingdom, Baronial, Shire, Canton, or etc..... Colors and devices. Make something to show your pride in your Kingdom! A parade through the town to the beginning of the Pas d'Armes Tournament will show all your finery off. Make your camp-site a show piece, another contest is how much pageantry does your camp display; show off your household or personal colors.

Pets must be on a leash at all times and picked up after. This is a heavily wooded area so check often on Fire restrictions, they will be updated on the web site as the summer progresses, all fires must be off the ground in containers, a fire extinguisher near by and someone from the camp present at all times when the fire is lit. Any unattended fires will be put out and the container confiscated by the Autocrats till the end of the event. (Groveling and bribes may affect getting them back, at the whim of the Autocrats) Bring your wood, no gleaning of the wood on site. Torches may be allowed at the whim of the fire restrictions. Alcohol in period containers only, no glass bottles and the age limit will be enforced. Since we are right next to the town of Elizabeth and have neighbors on both sides of the park, a noise curfew will be set for 12:00am (midnight). It may be later on Saturday depending on the park ranger, I will check with him. Please be sure to pack out your trash, if you bring it in, you take it out.

The Outlands premier period combat collegium is returning for AS XLI. This year, by popular demand, we will be bringing back Puck and Mary Curtis to teach **Spanish Rapier**. On the armored side we are bringing in Roger Siggs who will do a workshop on **Intermediate Fiore**. If you've attended a few basic Fiore classes and feel you've learned as much as you can from them, you NEED to be here. Both fighting workshops will be all day long affairs (6 hrs of instruction) so you should come away overstuffed with new knowledge with which to improve your fighting prowess.

If you are not a fighter, never fear. There will be two tracks of A&S classes, a track of Dance classes, a feast by Mistress Elaina (not to be missed) and a Ball (featuring the dances learned during the dance classes). Feast menu to be announced.

A&S Classes: as of the deadline for OH publication our A&S classes include:

Basic Kameez Making taught by Zaahira

Spanish Clothing taught by Lady Constanza and Lady Zorya

Hand-Stitching Heavy Materials (aka sewing for fighters) taught by Baron Eric

Arms for the Dance taught by Hannah d'Avila and Avram ibm Gabirol

16th Century Italian Garb for Ladies taught by Lady Cassandra Dublachen

The Partlet: History & Styles taught by Lady Cassandra Dublachen

Henna Party hosted by Hannah d'Avila

Lunch: A free lunch will be provided to the first 130 persons paying site fee so arrive early or pre-pay by sending a check (made out to SCA Dragonsspine) with your names (SCA and Mundane) and member number to the Autocrat.

Directions to the Site: On I-25 take the Uintah exit east to Hancock. Take a left onto Hancock going north. Just before the road ends on the left hand side is Golf Acres. It is an old mini mall which now houses non-profits. You can't miss the Seniors Center.

No rain nor sleet nor hail could hope deter
the business of Sir Bela and his Queen
for there were many honors to confer
for gracious deeds that did not go unseen
but one honor touched close to all our hearts
to all loyal subjects of Dragonsspine
the Crown chose to, on our baron, impart
the heritage of Knightly noble line
Sir Lothar! Finally and now he's called
his red belt broken after many years
his brothers, daughters and friends watched, enthralled
seeing him kneeling through their veils of tears
Your white belt spurs and chains now show to all
what we who've loved you have known for so long.

In addition to the Tower & Catwalk we have a full circle enclosure to fight, feast & revel in. There is also extensive camping space and it is a private site. There is a La Quinta Hotel 5 minutes from the site as well as a Wal-Mart and every other convenience within 5 minutes of the site. Please make feast reservations in advance (prepayment not required) as the attendance of this event has fluctuated wildly in the last few years and we want to make certain everyone is fed.

AUTUMN RAINS.....OF IRON

Hail to all archers who want to spread the glory of the Outlands to all the Known World!

On the 1st day of October, A.S. XLI, there will be an event dedicated to the advancement of Outlands archery. This archery fest will begin at 9 AM and will feature a concurrent IKAC and "Apple of my Eye" tournaments! Be sure to bring (or be able to borrow) at least 9 arrows/bolts for each 'end'. The location is at Sout Park in Northglenn, CO in the vicinity of I-25 and 112th Ave. Directions are below.

Not only will you be able to register a IKAC score for the glory of the Outlands, but this will also be an event score for your personal Royal Round average!

There will be prizes for both the IKAC and "Apple of my Eye" tournaments and of course this is also an opportunity to get your winning Scout's Challenge score!

For all the archers in the northern Outlands (and those in the south who want to journey up here) who have period bows, especially those of the high nobility and peers, I both request and challenge you to come out and join us in our quest to have the most period archer scores in the InterKingdom Archery Competition of any kingdom in the Known World. (Surely there must be a Duke or Viscountess or Master or someone out there who is willing to lead the charge for our illustrious nobles????) J And yes, there are special prizes on this day for those shooting in the Period Handbow Division!

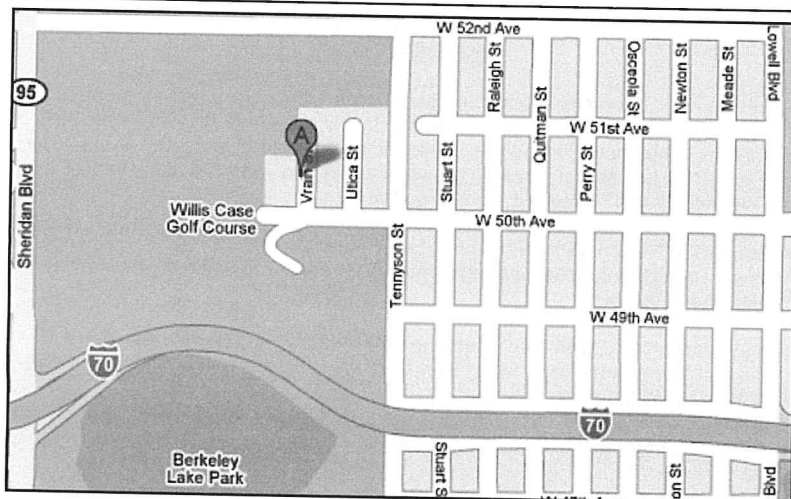

So come one, come all and let the Autumn Rains.....of Iron commence!

WHEREAS it is the bounden duty of Knights and gentlemen-at-arms to keep their skills honed at the ready should His Majesty call them to battle, and whereas the Noble and gentle ladies of the land are desirous to be entertained by the feats of honor, it is the privilege of the incipient Canton of Readstan to invite all those of noble comportment and lineage to test their mettle on the field of combat. Please join us on the Feast day of Saint Sergius and Saint Bacchus.

There will be a Grand Processional as well as a Helm Display, when the Ladies of the Gallery will inspect the helms and determine if the combatants are allowed to enter the lists.

The Contests of the Day: Three individual single elimination tournaments - Greatsword, Mace and Shield, and Barrier fighting either single sword or 6-foot spear. Each bout will be to three counted blows. One 3-man lance tournament, single elimination, under the Melee rules. A Grand Melee, Venans vs. Tenans.

Duties of the Combatant: To fight for the honor of a Lady of the Gallery, to comport themselves in a chivalrous and honorable manner, to engage the services of a Herald and adorn said Herald in a tabard with their arms, to hide any mundanity upon their person, and to display their best tournament armor and banners.

Duties of the Ladies: To be the grace that inspires greatness, to attend to the contests so they may collectively determine the most valiant and most chivalrous, to call to task those who have displeased and to compliment good deeds.

Duties of the Heralds: To speak truly of the great prowess of their employer, to assure the combatant is correctly entered into the lists, and to issue challenges as directed, in their most eloquent manner.

Directions: *From the North:* Take your best route South on I-25 to the Arapahoe Rd. Exit. Travel West on Arapahoe Rd. University Blvd. Turn right heading North to the first stop light on University (Park Entrance). WARNING! This is not your typical SCA tournament day! If a combatant does not meet the minimum requirements as detailed above, they will not be allowed to fight. The Ladies of the Gallery determine the winner of the tournaments, which may not necessarily be the one who won the most fights. It is more important to look good than to kick butt. *For the Rules of the List Specific to Readstan's Pas, please see page 27.*

Caerthe Arts and Sciences Championship, continued**Date:** Saturday, October 21, 2006

Their Excellencies of Caerthe invite one and all to participate in the Arts and Sciences Championship for the Barony of Caerthe.

The beautiful campus of the University of Denver provides a fitting gothic-style backdrop for this event. Enter the championship competition or come to observe the amazing works and talents of the artisans. Official entries, displays, judges, observers and moral supporters/cheering sections are encouraged and welcome.

Arts and Sciences Displays and Competitions:

While participants are encouraged to enter either the competition for the Grand Champion or items for general judging, there is LOTS of space for displays. Bring your finished projects or works in progress to display or enter. This is a terrific opportunity for feedback and discussion with other artisans and arts admirers. Show people what you are working on!

SPECIAL "MASK" COMPETITION!

Because this event is being held on the same day as Danse Macabre in Caer Galen, the current Caerthe A&S Champion, Derdriu O'Fionnghail of Clare, is sponsoring a special MASK category. **YOU DO NOT HAVE TO BE FROM CAERTHE TO ENTER A MASK.** No documentation is required but you must construct the mask yourself (no pre-made, purchased masks please). Extra points will be awarded for entries with a "Danse Macabre" theme!

If you have questions about your entry or the competition, please contact the autocrat with a general idea of what you are entering, how much space you require, and what (if any) special arrangements you might need.

Rules for the Grand Championship Competition:

Please read the complete list of the rules for the championship competition, which can be found on the Caerthean homepage under the Arts and Sciences link at: http://caerthe.outlands.sca.org/documents/AS_Rules_2004.pdf

Brief summary of rules for the Grand Championship:

- Entrants must reside within the boundaries of the Barony of Caerthe, including any of its Cantons and college groups, and must be present at the competition.
- Participants must enter at least three distinctly different items in the competition (e.g. one item in costuming, one in cooking, one in woodworking, etc.).
- Documentation is required.

Judges! Judges are definitely needed. If you are interested in judging, please contact the Caerthean A&S Minister, THL Guillaume de Gonzac at: a-sminister@caerthe.outlands.org with the category/categories you would like to judge. Depending on how many entries are received and of what type, you may be asked to judge outside your area of expertise but every effort will be made to accommodate your preferences.

Teachers and demos: There may be additional space for teaching classes. Please contact the autocrat if you are interested in teaching or demonstrating an arts and sciences topic at this event.

FOR IMMEDIATE RELEASE:

al-Barran Midwinter Feast 2006 CE

"Firenze e Milano"

From the offices of the Autocrat:

The history of the Italian Peninsula is one of city-states and their ambitions on the global stage. With the august Etruscans and their successors of Rome, Italy controlled the known world for centuries. Even after their fall at the hands of the barbarian hordes, power still emanated from Rome and the City-States surrounding her.

This Midwinter, please join Their Excellencies of al-Barran, Gregor and Monika, in celebrating the culinary treasures of two of the main city-states in the Wars that criss-crossed the Italian Penninsula during the mid 16th Century: Florence and Milan...

Presenting "Firenze e Milano", al-Barran's Midwinter Feast 2006 CE; Vladimir Igorevich, Feast Steward; Æthelwulf the Goliard, Autocrat.

Your comments are requested by the Board of Directors

Proposed Change to By-Laws VI.L – Board of Directors/Committees

By-Laws VI.L. currently reads:

The Board may designate one or more committees to serve at the pleasure of the Board. These committees shall serve as advisory bodies, and shall not exercise the authority or power of the Board.

The Board feels that its committees should be subject to the same membership requirements as other officers, and therefore proposes the following addition to By-Laws VI.L.:

The Board may designate one or more committees to serve at the pleasure of the Board. These committees shall serve as advisory bodies, and shall not exercise the authority or power of the Board. Like all Officers of the SCA, committees designated by the Board are subject to the requirements set forth in Section II.C of the Corporate Policies of the SCA.

Interested parties should provide their commentary to the Directors no later than October 31, 2006. Comments may be sent via e-mail to comments@sca.org or directors@sca.org. Comments may also be sent to the SCA's corporate office at P.O. Box 360789, Milpitas, CA 95036-0789.

Proposed Change to Corpora VI.D – Marshal of the Society

Corpora VI.D. currently reads:

"The Marshal of the Society is responsible for activities related to combat and archery. This includes directing the Earls Marshal of the Kingdoms in matters concerning the supervision of combat and related activities at Society events and the manner and conduct of duties of all marshals throughout the Society; working with the Society Chirurgeon to promote safety in the Society's martial arts; and working with the Minister of Arts and Sciences to encourage research in armor and weapons. The Board specifically authorizes the Marshal to make interpretations and clarifications regarding the Rules of the Lists, with the proviso that such rulings must be reported to the Board at the following meeting. The Marshal's rulings will stand until and unless overruled by the Board."

The Marshal of the Society also oversees the SCA's equestrian activities. To bring Corpora in line with current practice, the Board proposes the following change to Corpora VI.D., adding equestrian activities to the Marshal's area of responsibility:

"The Marshal of the Society is responsible for activities related to combat, archery and equestrian activities. This includes directing the Earls Marshal of the Kingdoms in matters concerning the supervision of combat and related activities at Society events and the manner and conduct of duties of all marshals throughout the Society; working with the Society Chirurgeon to promote safety in the Society's martial arts; and working with the Minister of Arts and Sciences to encourage research in armor and weapons. The Board specifically authorizes the Marshal to make interpretations and clarifications regarding the Rules of the Lists, with the proviso that such rulings must be reported to the Board at the following meeting. The Marshal's rulings will stand until and unless overruled by the Board."

Interested parties should provide their commentary to the Directors no later than October 31, 2006. Comments may be sent via e-mail to comments@sca.org or directors@sca.org. Comments may also be sent to the SCA's corporate office at P.O. Box 360789, Milpitas, CA 95036-0789.

While all commentary is more than welcome, we find it especially helpful to read your assessments of the nominee's abilities in areas such as working with diverse groups of people, understanding of varied aspects of the SCA, ability to plan and carry through projects to completion, ability to meet deadlines and keep up with correspondence, and past experiences in either SCA or modern world capacities that would be useful on a nonprofit corporation's Board of Directors. We also strongly encourage you to send us the name and contact information of anyone you feel would make a good candidate for the Board of Directors. All commentary is kept confidential, and new Directors never see the commentary made about them. Please address comments to the Ombudsman for Board Recruiting: Lis Schraer, 3651 Hartford St., St. Louis, MO 63116, or send them via email to recruiting@sca.org.
